

# Environmental Policy

1

We work on continual improvements

2

We follow the relevant laws and comply with other requirements

3

We make effective use of natural resources

4

We reduce emissions and minimise risks

5

We offer environmentally adapted products

6

We make demands on our business partners

7

We offer a good working environment

8

We are open and transparent in the information we provide

For more information, please see the brochure "Our Values". Ask your line manager for a copy.
